

ENTRY LEVEL FINANCIAL AND BUSINESS CONSULTANT

JACOBS CONSULTANCY, internationally recognized consultants to airport management for more than 60 years, is seeking self-motivated professionals with undergraduate or graduate degrees in business, finance, economics, public policy or a related field to work as Airport Financial and Business Consultants in our main office in Burlingame, California and in our office in Cincinnati, Ohio. JACOBS CONSULTANCY looks for outstanding candidates with strong credentials, with a passion for client service, and who enjoy working as part of a team on cutting-edge projects for U.S. and international clients. For more information on JACOBS CONSULTANCY, please visit our website at <http://www.jacobs-consultancy.com>.

Prior work experience, particularly in aviation, banking, business consulting, economics, or economic development would be an advantage. Consultants may undertake technical studies and analyses related to economics and forecasting, financial modeling, analyses of capital programs, revenue bond feasibility studies, calculation of rates and charges, negotiations with airlines and other airport tenants, and management studies. Candidates must have strong analytical, interpersonal, writing, and verbal communications skills, including a working familiarity with MS Excel and Word.

JACOBS CONSULTANCY offers a highly competitive compensation and benefits package and the opportunity to work side by side with recognized industry leading professionals, all looking to create a firm without limits to creativity and professional growth. JACOBS CONSULTANCY is an equal opportunity employer—all qualified candidates are encouraged to apply.
