

**SENIOR LEVEL OPERATIONAL
PLANNING AND ECONOMIC ANALYSIS CONSULTANT**

JACOBS CONSULTANCY, an internationally recognized transportation consulting firm based in Burlingame, California with over 60 years of service, is seeking highly motivated individuals to work as part of our Federal Practice within the Operational Planning and Economic Analysis Business Unit. JACOBS CONSULTANCY looks for outstanding candidates with strong credentials, and a passion for client service, who enjoy working as part of a team on cutting-edge projects for U.S. Federal clients. This position is based in our Chantilly, Virginia office. For more information on JACOBS CONSULTANCY, please visit our website at <http://www.jacobs-consultancy.com>.

We are seeking self-motivated professionals with:

- (1) Five or more years of experience developing economic, financial, and/or operational analyses
- (2) A graduate degree in one or more of the following fields: transportation; industrial and operations research; management science; computer science; or a related field
- (3) An excellent academic record, including some experience in writing computer software
- (4) Strong analytical, interpersonal, writing, and verbal communication skills
- (5) Background in managing the development of life-cycle cost models, asset management tools, and/or relational databases
- (6) Experience working with and managing computer software developers.

Individuals with a background in simulation modeling, statistics, databases and Excel macros would have an advantage. Ability to pass U.S. Federal Government security vetting. Proof of U.S. Citizenship or U.S. Green Card is required for this position.

Roles may include oversight of a team of consultants responsible for modeling federal program budgeting and spending, prioritizing capital investment projects, and process improvements. In addition, successful candidates would be expected to interface with clients to identify analysis objectives, potential analytical approaches, and client requirements.

JACOBS CONSULTANCY offers a highly competitive compensation and benefits package and the opportunity to work side-by-side with recognized industry-leading professionals, all looking to create a firm without limits to creativity and professional growth. JACOBS CONSULTANCY is an equal opportunity employer—all qualified candidates are encouraged to apply.
